Propose KubeCon+CloudNativeCon EU 2027 to the Governing Board

Topics for the Governing Board

- **The following topics should be addressed at the GB:**
 - What is the status of the NNF Testlab?
 - What is the status of the NNF vision provided by Vasu Chandrasekhara?
 - What is the status of the KubeCon+CloudNativeCon '27 voting?
 - It is expected the Outreach Committee's proposals will consume €100k-€150k of the 2027 budget. Is this realistic?

Other topics

- **Outreach Activities 2027:**
 - <https://github.com/neonephos/outreach/issues/54>
 - Preliminary Discussion about the need to kickoff the process to propose our planned activities in 2027 in order for the Governing Board to consider them in their budget discussions.

 - Deadline: End of October
- **Formalization of membership in SIGs:** <https://github.com/neonephos/outreach/issues/50>
 - **To Do:** Discuss! Proposal accepted?
 - Remember: Proposal has been de facto accepted already (membership has been formalized)
- **Outreach Committee Chairperson election**
 - Almost nobody wants this job. Understandable, as it is more work for the same pay (nothing).
- **Community Mascot_second round:** <https://github.com/neonephos/outreach/issues/80>
